

Our vision and mission

People's Foundation Maldives is not associated by name with, and is non-aligned to and independent of, any and all political parties or political groupings in Maldives.

We are an independent organisation acting to benefit civil society of Maldives. Please read about our organisational value of political independence and other core values on our website www.pfmaldives.org

Organisational vision

People's Foundation Maldives (PFM) is a politically independent, not-for-profit, registered, non-government organisation that works towards a just and inclusive society in Maldives and South Asia.

Organisational mission

People's Foundation Maldives aims to:

- Strengthen the capacity of civil society in the Maldives,
- Encourage Maldivian civil society engagement with local, regional and international communities,
- Support & develop civil society projects or activities,

by providing a comprehensive range of training, support services and other initiatives, which reflect the priority needs of emerging civil society actors and organisations who share the vision, mission, values and principles of PFM.
